SUMMARY

My name is **Avram Alin Ioan**, I am **21 years old**, and I live in Bucharest, Sector 4. I am a **final-year student** at the **Faculty of Cybernetics, Statistics, and Economic Informatics**, specializing in **Economic Informatics**, and I am intensely passionate about programming and IT. Every day, I strive to learn new things and enrich my knowledge regarding the technologies I have already worked with.

I am seeking an **internship position** as a **Software Developer**, aiming to enhance **both my technical and soft skills**. I thrive in **collaborative environments** and look forward to working with professionals who share my interests.

EXPERIENCE

- **Erasmus+** project "**INFORBOTICS**" held in Spain, Granada. I delved into **MicroPython** technology by developing a remote-controlled car from scratch as part of a team. I was responsible for the **software** part.
- **Oracle Course "Database Design and Programming with SQL"**
- **Oracle Course "Database Programming with PL/SQL"**
- Cambridge **CAE("Advanced Certificate in English")** obtained with the highest score.
- Tools: **VSCode, Android Studio, Eclipse, Visual Studio, SQL Developer, PyCharm, IntelliJ, GIT**

PERSONAL PROJECTS

- "Managing restaurant orders based on ingredient stocks" - I used **object-oriented programming in C++**. This project includes a console interface that manages customer orders.
- **University Dissertation Collaboration Platform**. A platform where students can **request collaborations** with professors. Professors can accept multiple students, review their papers, sign them, and send them back. Built with **JavaScript** using **React** for the **frontend**, **Node.js** for the **backend**, and **MariaDB** for the **database**.
- **Browser-Based Drawing App**. A **web application** inspired by Microsoft Paint, allowing users to **draw on a canvas** using **various tools** (rectangle, ellipse, circle, line). It also features **background customization** and an **undo function**. Built with **HTML, CSS**, and **JavaScript**.

HOBBIES

- **Vocalist** and **guitarist** in the Blues/Pop Rock band "The New Blackjack"
- I collect vinyl records and CDs.
- Passionate about sports and fitness.
